

Update: Prorated NCGA Membership Dues

June 16, 2017

The 2017 Summer Club Membership Contest is in full swing – a big thank you to all participating Clubs! In the time since we first launched the contest a few weeks ago, we have heard a lot of positive feedback from our Club Officers and we want to keep that momentum going.

In addition to the free twilight round at Poppy Hills or Poppy Ridge, we are pleased to announce that the NCGA is reducing membership dues for the remainder of the 2017 membership season. **Effective immediately, member dues are now a flat rate of \$25 for all new, returning, and multi-members.**

In order for your club to receive the prorated membership dues pricing you MUST do the following:

- Complete the [NCGA Prorated Membership Dues Application](#) before June 30
- [Click here to complete](#)

We will **ONLY** give prorated membership dues to those clubs who opt-in to this promotional pricing via the [NCGA Prorated Membership Dues Application](#) before June 30. **NO EXCEPTIONS WILL BE MADE.**

The reduced member rate will appear as a credit on your NCGA Invoice for any new members added to your Club Roster on or before September 30, 2017. **NCGA Membership Dues will return to the standard structure beginning October 1.**

We hope and expect that this unprecedented reduction in dues, in addition to the free twilight round, will remove any barriers you experience in attracting new members to your club. If you have any questions or concerns regarding the 2017 Summer Club Membership Contest, please feel free to contact me directly at lhorton@ncga.org or 831.625.4653. Your input is a valuable part of the Grow Together process!

Sincerely,

Lindsay Horton
NCGA Membership Coordinator
